Claim Number	<u>75-14L9-14302</u>	Vehicle Model	<u>Mustang GT</u>
Date of Loss	<u>12/14/2012</u>	Vehicle Year	<u>2011</u>
Vehicle Owner	<u>Igor Shinder</u>	Vehicle Mileage (as of date of loss)	<u>39114</u>
NADA Retail Value (as of date of loss)	<u>\$27,325.00</u>	Vehicle Repairs	<u>\$1,845.30</u>
NADA Retail Value Calculator - base retail _____ +, - options _____ +, - mileage <u>\$27,325.00</u> NADA Retail Value			

Section I. Type of Damage (select one)

- | | |
|---|--|
| 1. Structural panel replacement / sheet metal panel repair and/or replacement | <input type="checkbox"/> +10% |
| 2. Structural panel repair / sheet metal panel repair and/or replacement | <input type="checkbox"/> + 8% |
| 3. No structural damage / sheet metal panel repair and replacement | <input type="checkbox"/> + 6% |
| 4. No structural damage / sheet metal panel repairs only | <input type="checkbox"/> + 4% |
| 5. No structural damage / sheet metal panel replacement only | <input checked="" type="checkbox"/> + 2% |

Sub-total: 2 %

Section II. Quality of Repairs (select as many that apply)

- | | |
|---|-------------------------------|
| 1. Paint mismatch and/or overspray | <input type="checkbox"/> - 2% |
| 2. Misaligned panel gaps | <input type="checkbox"/> - 2% |
| 3. Other workmanship flaws Describe: <u>N/A</u> | <input type="checkbox"/> - 2% |
| 4. After-market sheet metal parts utilized | <input type="checkbox"/> - 2% |

NOTE: Quality of repairs is the sole responsibility of the shop completing repairs.
Since the owner has complete discretion in his/her choice of shops, any diminished value to be considered will be purely from the fact that the vehicle was involved in a loss.

Sub-total: 0 %

Section III. Extent of Damage (select as many that apply)

- | | |
|--|-------------------------------|
| 1. Total repair costs meet or exceed the state's threshold for damage disclosure | <input type="checkbox"/> + 2% |
| 2. Total repair costs less than the state's threshold for damage disclosure | <input type="checkbox"/> - 2% |
| 3. Vehicle year model is 5 years old or older | <input type="checkbox"/> - 2% |

NOTE: If the repair costs do not exceed the applicable state's threshold for damage disclosure and/or the vehicle is 5 years old or older, the owner is not required to disclose the damages.
If a diminished value settlement is being considered for a vehicle that does not meet this criteria, there should be exceptional circumstances involved. Please check your applicable state law for the required damage disclosure requirement.

Sub-total: 0 %

Section IV. Pre-loss condition (select one)

- | | | |
|------------------|--|--|
| 1. Exceptional | (little to no wear, retail dealer ready) | <input checked="" type="checkbox"/> + 2% |
| 2. Above average | (minimal wear noted) | <input type="checkbox"/> + 1% |
| 3. Average | (normal wear) | <input type="checkbox"/> 0% |
| 4. Below Average | (noticeable wear) | <input type="checkbox"/> - 1% |
| 5. Rough | (requires reconditioning) | <input type="checkbox"/> - 2% |

Sub-total: 2 %

Section V.

Total diminished value % equals the sum of Sections I through IV.
(If the result is a negative number, no consideration is warranted.)

Sub-total: 4 %

Section VI.

NADA Retail Value \$ \$27,325.00 x total diminished value % 4

Total \$ \$1,093.00
